EXHIBIT A

1. G&M received multiple retainers in the months leading up to the bankruptcy, some from the Debtors and some from related entities. Some of those had been exhausted by invoices issued pre-petition, and immediately prior to filing G&M applied a portion of the retainers against all of its outstanding fees and expenses as of the time of filing (to ensure that G&M was not owed anything by the Debtors when the petitions were filed). A detailed breakdown will be provided in the declaration to be filed shortly in connection with G&M's retention application.
